CERTIFICATIONS

- Frontend Development libraries
(**FREECODECAMP-2025**)

PROFESSIONAL EXPERIENCE

Frontend Developer Intern | U Devs

Jan 2026 – present

- Executed **frontend development tasks** using **React.js** and **TailwindCSS**, contributing to real-world projects.
- Developed **reusable UI components** and **responsive layouts**, collaborating closely with senior developers.
- Gained hands-on experience in **debugging**, **performance optimization**, and **best practices** in modern frontend development.

EDUCATION

Bachelor of Science in Software Engineering

Arid Agriculture University, Rawalpindi | 2021 – 2025 | CGPA: 3.74

ACADEMIC PROJECTS

Weather Forecast App with Animations

- Built a **React + TailwindCSS** app with **real-time weather API integration**.
- Implemented **animated weather effects** and **fully responsive layouts** for mobile & desktop.

Real-Time Chat Application

- Developed a **React + TypeScript** chat app with **live messaging** and **dynamic UI components**.
- Optimized for **mobile and desktop responsiveness**, showcasing interactive frontend design.

InstaGuard – Fake Instagram Profile Detection | Final Year Project

- Created **responsive admin and user dashboards** using **Next.js + TypeScript + TailwindCSS + Framer Motion**.
- Integrated **Flask REST APIs** for real-time data display and dynamic interfaces.
- project: viberank.dev/apps/InstaGuard

Bakery Shop Web Application

- Built a **modern, responsive e-commerce site** using **React + TailwindCSS**.
- Focused on **clean UI**, **reusable components**, and **responsive design**.

Portfolio Website (2025)

- Developed a personal portfolio showcasing interactive UI using **React**, **HTML**, **CSS**, and **JavaScript**.
- Projects and resume are live on **Vercel** for fast access..
